SLIME PRINCESS PARTY

SLIME PRINCESS
HAVE A WONDERFUL SLIMEY DAY

WE BRING THE SLIMEY PARTY TO YOU!

LET THE SLIME PRINCESS TAKE CARE OF YOUR PARTY

Imagine how happy your child would be having the Slime Princess at his or her party. It would be a treat for their friends too! Having a wonderful slimey time learning about, playing with and creating their slimes with the Slime Princess. She is great with kids! Meaning, all you need to do is sit down and watch the party attendees, playing, creating, exploring, and learning!

WHAT DO YOU DO AT A SLIME PRINCESS PARTY?

Slime Princess will demonstrate with the help of the party attendees how to make a basic slime, and a touch and feel of many different slimes such as Butter, Clear, Foam, Snowfizz, etc. The attendees would then decorate their slimes with several colours, scents and beads provided by Slime Princess. Gloves are also provided. After the slime-making there will be a group picture with the Slime Princess. If the party is a Birthday Party, the celebrant will be sung with its attendees and Slime Princess 'Happy Slimey Birthday' and is given a birthday gift!

HOW MUCH DOES IT COST?

\$49.99 per person, with a minimum of 10 attendees, plus travel fees. This includes 1 large tub of white fluffy slime, 1 small tub of white base slime, 1 White Slime Princess activator, and a Slime Princess Badge for each attendee which they would take home! This includes everything needed to have the best Slime Princess Party!

ADDITIONAL OPTIONS

Hosting: If you would like the Slime Princess to stay for an extra 1 hour to play games and/or story telling with attendees for \$150. This includes prizes.

DIY Slime Princess Party: If you would like to create your own/DIY your own Slime Princess Party, you can purchase a pack online for \$29.99 per person with a special interactive video and more! [SEE DETAILS AT WWW.SLIMEPRINCESS.CO.NZ](http://www.slimeprincess.co.nz)

IT IS ALSO EDUCATIONAL!

Not only is a Slime Princess Party a very fun experience, it is also educational! With the attendees learning about what a slime is, how slime is made, what makes a slime a slime, the science behind slime - chemical reactions between ingredients and more!
